Pensacola State College (PSC) Networking Event

Pensacola State College

1000 College Blvd.

Pensacola, FL 32504

12:00 PM - 01:00 PM CST

Amelia Dixon,

treasurer@itgulfcoast.org

Join us as Marie Perry talks about her involvement with IT Gulf Coast as one of the first Interns and her success story at Pensacola State College in their Cyber Security program. This will be followed by an "Ask the Panel" of PSC students and their journeys.

This will be a great opportunity for Networking and to find out more about IT Gulf Coast and how you can make a difference by being a part of our growing organization!

Sponsor: Lunch will be provided by TeamLogicIT

TeamLogic IT helps businesses stay safe, productive and profitable through the smart use of technology. For more than 15 years, companies of all sizes have relied on our complete spectrum of managed IT services and solutions including Cloud Services, Cybersecurity & Compliance, Backup and Recovery, Data / Voice / Connectivity, and Managed IT Services.

Pensacola, FL 32503

05:30 PM - 08:00 PM CST

Amelia Dixon,

treasurer@itgulfcoast.org

Join us for our Annual Ugly Sweater Contest Networking event. This will be a great opportunity to find out more about IT Gulf Coast and how you can get involved.

Food will be provided for all who attend. Free drink ticket will be provided for our Members who register. Registration link and more details to follow!

October 5, 2022
- October 7, 2022

ITEN WIRED Summit 2022

Pensacola Beach Hilton

12 Via De Luna Drive

Pensacola Beach, FL 32561

07:30 AM - 05:00 PM CST

Join us on the #CyberCoast on October 5-7, 2022 in beautiful Pensacola Beach, Florida.

ITEN (Innovation Technology Entrepreneurship Network) WIRED Summit is the Southeast's premier cybersecurity and IT conference to connect, collaborate and build community with industry leaders, entrepreneurs and educators on innovation, technology and entrepreneurship topics.

The three-day event highlights the area's cybersecurity, information technology and entrepreneurial communities and explores emerging technology and innovators in start-up tech, artificial intelligence, robotics, and emerging technologies on the national scene.
